

Northington Development RFP
On Campus Pre-Proposal Information Session (Not Mandatory) Meeting Minutes
11/30/23 at 1pm

Vision:

UA shared that they are seeking proposals for the ground lease or purchase of the Northington site. The site consists of approximately 7 acres. UA would like all proposals to consider the childcare facility being developed in the neighboring facility when they submit ideas. Primary access to the site will be off the newly improved road access from McFarland Boulevard. Access from the loop road around the mall is not a deeded access.

Questions:

No questions were asked.
